DETAILED ACTION

Election/Restrictions

1. Newly submitted claims 32-34 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the new claims are drawn to a blood filter, whereas the previously presented claims are drawn to a blood cartridge and complete blood circuit.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 32-34 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffry Nelson on 19 November 2004.

The application has been amended as follows:

PLEASE CANCEL CLAIMS 32-34.

Allowable Subject Matter

3. Claims 1-31 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest the device as claimed by applicant. In particular, the prior art fails to disclose or suggest a disposable blood cartridge with tubing configured as claimed, along with the specific blood pump, second cartridge housing, and filtrate pump as claimed, along with the other steps and limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leslie R. Deak whose telephone number is 571-272-4943. The examiner can normally be reached on M-F 7:30-5:00, every other Friday off.
